

9month+, 2 & 3 & 4 year-old Funding

This Policy is to outline the terms of funded places used with Sarah's little stars LTD.

If your child is Term Time only you will receive either 15h (universal hours) or 30h (extended hours) a week and if your child is all year, the funding is stretched and is capped to around 12h/22h a week depending on the length of the term. **Funding is also only covers 48weeks of the year.**

KCC is paying - 50% up front and 50% at the end of the term, Here at SLS we have always allowed families to use their child's funded hours where they like and we will continue to do this. We just ask that you kindly pay the volunteer top up contribution. This helps us maintain the high standards of care, excellent activities that we provide at SLS.

This agreement is subject to change, we will see how the first term goes with both funding groups Running side by side.

You will see attached to your fee sheet a KCC calendar, KCC outlines when funding can be used for term time only and all year-round care.

Please note all food, nappies and medication/suncream/teething gel/activities are covered within your nursery fees. All trips/outings and events are still to be covered by the parents.

Please remember it's the parent's responsibility to reconfirm your funding codes and not the nursery, nor is it the nursery responsibility to remind you, failure to reconfirm your codes in time may result in losing your funding for that term. If this does happen then all fees will need to be paid by the parent privately.

If you have any questions, please do not hesitate to come, and speak with me or a member of my management team.

Here at SLS, we are proud to say that all child can access their funding with us

We have 5 spaces that are fully funded by SLS - this is done at managements discretion and is based on individual circumstances. Currently all 5 spaces are being used but please always feel free to check for an update.
